

# MISSION, VISION & VALUES

## MISSION

The mission of Associated Medical Professionals is to ensure that every patient contact results in a superior experience.

## VISION

Our vision is to remain the region's premier urology/radiation oncology group practice through our commitment to our patients and support of our staff. Our goal is to provide compassionate, quality care, in an accessible and cost effective fashion. This will allow future growth and sustainability of our practice while providing security for our employees and physicians.

## VALUES

The physicians and staff of Associated Medical Professionals are proud to uphold the following core values in our interactions with each patient, employee and all others with whom we engage.

### Integrity

Adhere to high moral, social and professional standards

### Excellence

Commitment to exceptional quality care and best outcomes

### Respect

Demonstrate respect for self, staff, patients and colleagues

### Compassion

Show empathy for our patients and their families

### Community

Support and give back to our community
